Multicote® Agri (8) Juvenile: The solution for growing new orchards

A single application of Multicote® Agri controlled-release fertilizer provides your young trees with a balanced nutrition over months, supporting establishment and enhancing growth.

1. Moisture penetrates the polymer capsule
2. The moisture dissolves the nutrients in the capsule
3. Nutrients are released into the soil by diffusion. Soil temperature controls the rate of release.

Nutrition matches growth needs • Better nutrient use efficiency
Labor saving • Nutrient availability independent of irrigation
